Summary

Computer Science undergraduate with expertise in Full-Stack Web Development (MERN) and practical experience through multiple projects and internships. Proficient in Data Structures & Algorithms, Computer Networks, and Cloud Computing. Experienced in designing and deploying responsive web applications, managing databases, and integrating scalable backend solutions. Strong problem-solving skills with a focus on delivering efficient and maintainable software.

Technical Skills

Languages: C, Java, JavaScript, HTML, CSS

Frameworks / Libraries: React.js, Node.js, Express.js, SpringBoot

Databases: MongoDB, SQL

Tools: Git, GitHub, AWS

Projects

Job Board Application | https://github.com/manisha2309/job_board

- Developed a full-stack job board platform enabling employers to post jobs and candidates to search, filter, and apply for openings.
- Implemented secure user authentication (JWT), role-based access (Employer/Candidate), resume uploads, job filtering, and application tracking.
- Added dashboards for employers to manage listings and review applications, and for candidates to track application status and update profiles.
- Tech Used: React.js, HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, JWT, Multer

Student Attendance Tracker

- Developed a web app for admins to add students, mark attendance, and send email notifications.
- Added secure login and responsive UI for smooth management.
- Tech Used: HTML, CSS, JavaScript, Node.js, Express.js, Nodemailer, MongoDB

Urban Elegance – E-commerce Clothing Website | [<https://urbanelegance.vercel.app/>]

- Built a responsive e-commerce site with login, cart, and payment features.
- Added a donation module for users to contribute funds for the needy.
- Tech Used: HTML, CSS, JavaScript, Node.js, Express.js

Education

Chitkara University	2023-2027
Bachelor of Engineering in Computer Science (9.11 cgpa)	Rajpura, Punjab
Dasmesh Public School	2022 – 2023
Class 12 th (94%)	Faridkot, Punjab
Dasmesh Public School	2020 – 2021
Class 10 th (98%)	Kotkapura, Punjab

Achievements

- Self-learned Full-Stack Development (MERN) and applied skills to real-world projects.
- Solved 100+ LeetCode problems, improving problem-solving and coding skills.
- Completed an online internship as Web Developer at Skillcraft Technology.
- Currently working as a Web Development Intern at Codsoft.

Certificates

- Introductory C Programming – Duke University
- Networking Fundamentals – Akamai (100%)
- Cloud Data Engineering – Duke University (100%)
- Introduction to Cloud Computing – IBM (100%)
